## Objective

Employment as a graphic artist in a positive, creative environment where I have the opportunity to work in a positive team-based environment to produce work that is unique and meaningful.

## Qualifications

- Creative and flexible.
- Experienced in, Adobe Illustrator, Adobe InDesign (page layouts, paragraph and character styles, tables, vector images, story editing), Adobe Photoshop (editing photographs, color correcting photos, color channels, vector and paths tool, cloning, layer effects, blending), QuarkXpress, Adobe Dreamweaver, CSS, HTML text coding, Flash (motion and shape tweening), and Microsoft Office Suite.
- Had training in human relation programs, customer service, teamwork, and group communications.

## Education

2005 – expected graduation May 2009

Shepherd University, Shepherdstown, WV

Bachelor of Fine Arts, concentration in Graphic Design

2004

Art Institute of Washington Summer Studio

## Work History

2002-2008

Virginia State Park System

Pocahontas State Park Swim Complex

Chesterfield, VA 23832-6355

Pool Attendent, Cashier, Snack Bar worker. Customer relations, responsible for enforcing rules, in charge of handling money from opening until closing, accounting for funds, admission control, and pool closing activities.

## Experience

2007-2009

*The Picket*

Art Director

Shepherd University

Shepherdstown, WV 25443

Art Director of the student-run newspaper. Redesigned the newspaper fall 2008. In charge of creating dynamic layouts integrating text and photos together and using graphics to promote the story. Help out the Editor-in-Chief in arranging what photos work with the story and placing it on the page. Oversee the Asst. Art Director job for quality.

2008

Logical Innovations

Internship

Richmond, VA 23237

Graphic Designer for a computer process control company. My responsibilities were updating the logo files, create one-page inserts, brochure for Ethanol Process Solutions and company overview, and edit pictures.
